Mr. Church had the original house cut into four sections. A barge was brought to the shore of Holly Woods and two of the sections were loaded on. The barge, with an estimated 200 tons of house, required some persuasion by the accompanying tug but a rising tide helped and the journey was

Or have you ever wondered what you would do in case your car caught fire?

This double-barrelled special from Fairhaven Savings answers both needs. Because we consider it so important to your family's safety on the highways, we're passing the American LaFrance SAFETY KIT on to you at a drastically reduced cost.

Congratulations

EDITORIAL

The Old Rochester football team, having been rained out on Thanksgiving Day along with all the other teams on the coast, finished their season on Saturday with Dennis-Yarmouth. It was a winning effort, 21-0 in a highly successful season. The Bulldogs' record this year is 7 wins and 2 losses. The process of compiling this record has been a long road of rebuilding, conditioning and training. To cap such effort with success, means that a team is meshing like the gears in a good engine. A winning team is a unit and each part is vital to the whole. Touchdowns are scored in the line and downfield blocking. The defensive tackles are just as necessary as successful offensive passing. Team effort is the key.

Congratulations to the entire Old Rochester team and to coaches, Jerry Oliva,

It makes it very hard for the master and the subordinate members who are willing to give up their time to this training of the Juniors. It is hoped that the Juniors will take notice of this request.

It was voted to open a savings account with the Plymouth-Home National Bank.

Wassail! Join the Fun

CHRISTMAS CONCERT

Just as the cry "Wassail" echoing through streets of old English villages attracted neighbors and travelers to the inn for a Christmas toast, so the entire audience at the December 12th concert by the Regional Symphonic Band is most cordially invited to a Wassail Party in the cafeteria immediately following the program at Old Rochester Regional High School.

With the Regional Civic Chorus as special guests, the concert will feature traditional Christmas music as well as selections from "The Nutcracker Suite" and the exciting "Jesus Christ, Superstar".

The festive Wassail Party, under the talented stewardship of Mrs. Ethel Sylvia, provides an opportunity for the audience to meet the members of the band, the members of the chorus, and the directors of the Tri-County Music Association. Mrs. Sylvia is planning many beautiful decorations and the directors of the Association will provide punch and goodies for the occasion.

The Volunteers of America, the national social welfare organization, is now conducting its 75th annual Christmas fund-raising appeal to help our neighbors.

Our Christmas workers and their Christmas containers are now in our busy stores to bring joy to the poor, the sick, the old, the forgotten, the friendless and the homeless.

Your contribution will provide an order of food for a needy family; when you see a Volunteers of America worker, stop and make your donation so the Volunteer of America can carry on their work of bringing Christmas to all - twelve months of the year.

Expensive Lesson EDITORIAL

The Massachusetts' legislators perform a very valuable function which has long been unheralded. That is, they demonstrate what happens to democratic government when it is allowed to operate under the control of a single party. This collapse of the system leads to dictatorial power which rapidly expands to reach into every city and town.

At the present, there is little or no func-

tion left to local government except the collection of taxes. Home rule is obliterated. The latest decree from this body is the wildly inflationary takeover of the pay of Police and Fire Chiefs. At a time when the taxpaying population is expected to use restraint and sacrifice their own interests to the welfare of the nation, the political officeholders are taking the lid off the public payroll in an inflationary explosion. The fact that Governor Sargent is of the Republican Party and he signed this bill—(after vetoing it the first time), points up the fact that a governor, without legislators, is as effective as a jockey without a horse. This does not excuse the governor's action but does underline his futility.

Until such time as the cities and towns of the Commonwealth can band together to force some home rule to be returned to them, then we all are in certain jeopardy. We will be spent to ruin by the one party legislators of the State House who are running the town by remote control.

LIBRARY NEWS

The morning hours introduced in November have evoked much favorable response, and we think are worth keeping. However, the change in times has been understandably confusing to many. In view of this and to enable students to use the Library after school on Wednesdays, we have made the following adjustment in hours: During December, Wednesday hours will be 10 A.M. to 5 P.M. We hope these hours will prove satisfactory to all.

Once again, starting December 1st, a fine of \$.03 a day will be charged on all overdue books. However, the fine will be figured on each Library Day the book is overdue, not each calendar day. In addition, the presence of the drop box should facilitate the timely return of books and keep fines to a minimum. (If your book should be overdue when you return it to the book drop, please put the fine in the pocket of the book.)

Thank you.
